Fellow Red Angus Breeders and Friends:

I want to start by thanking all our past and future customers. As your seedstock partner, we know the difficult task of selecting quality genetics, that work for your operation. We know that everyone has different qualities that are most important to them. We understand that your family's livelihood is ultimately determined by pounds on the truck, and we feel our responsibility to do our part by helping you have heavier calves, better carcass quality, and trouble-free mother cows. We strive to identify and produce animals that optimize performance and minimize production obstacles in your herd and ours. At the end of the day, the cattle business is about you, our friends and partners.

The Bulls in this year's sale have been hand selected from our entire bull calf crop. They represent the top 30% of all bulls born at Sutherlin Farms. Each bull in the sale has been hand selected based on soundness, structure, docility, performance as well as calving ease, growth and maternal. All bulls are sold guaranteed and have passed a breeding soundness exam. All bulls have been tested negative for BVD and parentage verified with the Association. We will have ultrasound measurements available for carcass data before the sale.

The bulls are fed in our own bull development feedlot on hay, silage, oats, corn, and a protein supplement ration. The protein supplement is a blend of natural by-pass proteins that provide essential amino acids for improved feed conversion. This means we get the desired gains using less grain. It also helps produce more muscle and less fat. This ration is designed for a 3lb/day gain.

There will also be a fancy, fancy set of home-raised commercial yearling replacement heifers that will follow the bulls in the sale. These heifers are raised right alongside of the heifers that we keep as our own replacements. When selecting for replacement females we are selecting for the same traits as the bulls but focusing on feet and udder qualities. The replacement heifers are fed a maintenance ration in the feedlot to condition them for breeding. The average weight on the heifers is 800 lbs. This year we have 45 head of beautiful, big, Red Brockles and Red Whiteface heifers to pick from.

Feel free to stop any time before the sale to look at the cattle. Calving has started, and someone will be around whenever it is convenient for you. Please join us on Friday, March 7th, at the Ranch feedlot. Lunch will be served starting about 11:30 and the sale starts at 1 PM (MST). We hope to see you there!

**Bob, Laurie
and the Sutherlin Farms Crew!**

FRIDAY - MARCH 7TH 2025

At the Feedlot, 415 Spooner Creek Lane, Stevensville MT 59870

1PM MST, Lunch to be served at NOON

Auctioneer:

Joe Goggins
Office (406) 373-6844 eve
Cell: (406) 861-5664

Sale Day Phone:

(406) 642-3487 (house) (406) 369-1202 (Bob S. Cell)
(406) 642-3533 (barn) (406) 544-0043 (Lacey's Cell)

Buyer Representatives:

John Goggins Western Ag Reporter (406) 698-4159
Rachael Oliver RAAA Commercial Marketing Specialist
..... (406) 480-1569
Devin Murnin Western Livestock Journal (406) 696-1502
John Henry Beardsley Superior Livestock (406) 853-4938
Jay Rost DV Auction (406) 978-2124

Phone Bids:

We urge all bidders unable to attend the sale to contact us or the Buyer Representatives for any questions or Bids you may have. Your Bids will be treated with the strictest of confidence. You may also use DV Auction or Superior Livestock to bid, see page 2.

Sale Terms:

Will be followed as stated by the American Red Angus Association.

Sale Order:

Bulls will sell in catalog order unless otherwise stated.

Retaining Interest:

All bulls sell with full possession. Sutherlin Farms reserves the right to keep 1/2 semen interest on all bulls sold.

Cattle Viewing:

Cattle are housed and fed at the feedlot (location of the sale). We welcome you to stop by anytime to sort through the cattle prior to the sale.

Announcements:

Changes or updates to the catalog will be announced from the block and will take precedence over information in the catalog.

Lodging:

Bitterroot River Inn, Hamilton, MT (877) 274-8274
Days Inn, Lolo MT (406) 273-2121

Delivery:

Free delivery within 500 miles of Stevensville, MT on all bulls sold. Free delivery in the contiguous 48 states on any bulls selling for at least \$3500.00. Sutherlin Farms will help arrange trucking for cattle sold outside this area. Cattle will be delivered in March and early April unless other arrangements are made. We will give a \$50 deduction for all bulls taken home sale day. Please Note: if you are out of state, Health Certificates will not be available sale day. Delivery of commercial females is the responsibility of the buyer. A feed charge of \$2.50/day will be charged for commercial heifers left over ten days. We would be glad to help assist you in making travel arrangements.

Transportation:

Commercial air service is available for Missoula via Delta, United, American Airline, Alaska, and Allegiant.

First Breeding Season Guarantee:

All bulls selling for \$3500 or more, will be covered by Sutherlin Farms if they are injured their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as a 90 day period following the first turnout of bulls. Sutherlin Farms will work with the buyer and either (1) replace the bull with a comparable animal if one is available, or (2) credit the buyer with the purchase price, less salvage, at the next sale. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. All claims must be made in the same year the bull was originally purchased.

Insurance:

Mortality Insurance is available, contact John Goggins for more information, (406) 698-4159, American Live Stock Insurance - Markel.

Herd Health:

All cattle will sell with proper health papers for interstate shipment. A complete breeding soundness exam has been performed. All bulls have been tested negative to BVD. If you have certain questions about our health program please contact us or our Herd Veterinarian: Blue Mountain Veterinary. All females have had their pre-breeding shots; Pyramid 5, Vision 8 + Somnus, and Ivermectin Pour On.

Volume Discount:

We will offer a volume discount on bull purchases. If you purchase 5 bulls, you will receive a 5% discount on your total bull purchase. If you purchase 6 or more bulls, receive a 6% discount on your total bull purchase. As always, we offer free delivery for all bull purchases within 500 miles of the ranch.

SUPERIOR LIVESTOCK BIDDING INFORMATION

Here's How It Works:

VIEWING THE AUCTION ONLINE

The auction will be broadcast online at Bid.SuperiorLivestock.com and the pre-recorded videos will also be hosted there prior to and on sale day. You do not need an account or login just to watch the auction.

ONLINE BIDDING

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account if you wish to bid (there is no registration required just to watch the auction). Once you have created an account, request a buyer number and you will then be able to bid online with the largest and most trusted cattle marketing entity in North America. Superior's new platform allows you to see both the live stream of the auction AND the pre-recorded videos on one screen at the same time!

TURN IN BIDS OVER THE PHONE

This is Superior's suggested bidding method for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number and upon doing so you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on.

**FOR HELP WITH REGISTRATION OR ANY
PART OF THE BIDDING PROCESS
PLEASE CALL SUPERIOR AT (800) 422-2117**

DVAuction

www.dvauction.com

Watch & Bid online for FREE!

Can't make the sale?

Let DVAuction bring the sale to you!

Busy during the sale?

Let DVAuction represent your bid!

Visit www.dvauction.com and Register!

It's as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "create new account" tab
2. Apply for bidding by clicking "apply for bidding" in the upper left corner of your screen, at least 24 hours prior to the auction
3. Tune into the sale and make your purchases!

**For General Questions Please Contact Our Office:
(402) 316-5460 or support@dvauction.com**

***High Speed Internet Access Required**

**Bidders who are successful in making purchases
via the internet will be contacted by the ranch
after the sale to settle payment and
make shipping arrangements.**

COMMERCIAL HEIFERS

Lots 86-225 are the commercial heifers. The heifers offered here are all home-grown and have NO brands. The heifers have had their pre-breeding vaccinations and have been deliced. The heifers should weigh approximately 800 lbs. on sale day. They will be grouped in pens of 20-35 and sold in lots of 5. We will bring into the ring the first 5 heifers from each pen. They will represent the entire pen. The successful bidder will then have the right to take as many of the heifers in this pen, in 5 head increments, as he wants at the same price as the first 5 lots. Thus, he could buy 5, 10, 15, 20, 25 or 30 heifers in one bid.

A-BAG-A-BULL

If you purchase a bull from us, we will provide you with credit equal to the value of one bag of Feeder Calf Certification Program or Allied Access tags for each bull you purchase. To redeem your credit, bring your receipt for the tags to next year's sale and we will apply it to your bull purchase.

The FCCP provides age, source and genetic verification for calves sired by registered Red Angus bulls. Cattle enrolled in the FCCP are accepted into the exclusive Choice+ and G.O. Red grids. The FCCP 'yellow tags' are recognized by buyers nationwide and return a premium for Red Angus calves enrolled in the program.

The Allied Access program provides age and source verification for commercial cattlemen whose bull battery does not exclusively contain registered Red Angus bulls. Whether you are utilizing multiple sire breeds or halfblood bulls, enrolling in Allied Access demonstrates to buyers that you are taking an extra step in marketing your calves and adding value throughout the production chain.

To enroll in the FCCP or Allied Access, contact the Red Angus marketing department. Enrollment is simple and free of charge.

RED ANGUS VALUE-ADDED PROGRAMS

GENETICS | AGE | SOURCE

Feeder Calf Certification Program

- Traceability to at least 50% Red Angus genetics
- Source verified to ranch of origin
- Group age verified

Eligible for Choice+ and G.O. Red Grids

*No enrollment fee, 99¢/tag
840-compliant EIDs available upon request*

AGE | SOURCE

Allied Access

- Source verified to ranch of origin
- Group age verified

*Not eligible for Choice+ or G.O. Red Grids
No enrollment fee, 99¢/tag
840-compliant EIDs available upon request*

GENETICS

Premium Red Baldy

- Females only
- Red Angus or Hereford sired
- Top 50% of breed for ProS or BMIS Indexes
- Red bodied with bald or brockle face

Not a USDA Process-Verified Program

No enrollment fee, 99¢/tag

GENETICS

American Red

- Females or steers sired by Red Angus bulls in the top 50% ProS Index or by Santa Gertrudis bulls in the top 50% Balanced Index
- Breed percentages range from 25-75% Red Angus or 25-75% Santa Gertrudis
- Dams of qualified calves must contain at least 50% of reciprocal breed

Not a USDA Process-Verified Program

*Yearly \$50 enrollment fee, \$1.25/tag, five-head minimum
840-compliant EIDs available upon request*

RED ANGUS
RANCH TESTED. RANCHER TRUSTED.

TERMS & CONDITIONS

1. BIDDING

The Auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

2. TERMS

Terms of sale are cash unless satisfactory credit arrangements have been made.

3. PURCHASER'S RISK

Each animal will become the risk of the purchaser as soon as sold. Insurance will be available sale day.

4. CERTIFICATE OF REGISTRY

A transferred certificate of registry will be furnished to the Buyer for each animal after settlement has been made.

5. HEALTH

Health certificates will be furnished for shipment anywhere in the United States.

6. BREEDER'S GUARANTEE

All bulls are guaranteed to be breeders. All claims for adjustment or refund must be made in writing within six months of the sale date. In the event an animal is claimed to be a non-breeder, the Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the Seller is unable to prove the animal is a breeder, restitution shall be made, in compliance with the terms set forth by the Red Angus Association of America. Any expenses incurred for transporting the animal shall be the buyer's responsibility.

7. ANNOUNCEMENTS

Any announcement from the seller on sale day will take precedence over printed material.

8. LIABILITY

Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.

9. CONTRACT

The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

for all of their help with the sale.
Without them we would not have
gotten everything done!*

RED ANGUS GUIDE TO EPDS

RedAngus.org

ProS..... Profitability and Sustainability is an all-purpose index that predicts average economic differences in all segments in the beef supply chain. This index is a combination of the breeding objectives modeled in the HerdBuilder and GridMaster selection indexes. In this index, replacement heifers are retained from within the herd and all remaining progeny are fed out to slaughter and sold on a quality-based grid. Traits included in this index include calving ease, growth, HPG, STAY, Mature Weight, Dry Matter Intake and carcass traits. The resulting index is expressed in dollars per head born (Index/High Value).

HB HerdBuilder is a maternal selection index that predicts the economic differences of animals for traits that are important from conception through weaning. Expressed as dollars per head born, HB is calculated based on the scenario that bulls are mated to heifers and cows, replacement heifers are retained and all remaining progeny are marketed at weaning. Traits included in the HB index include Calving Ease Direct, Calving Ease Maternal, Weaning Weight, Milk, Mature Weight, Heifer Pregnancy and Stayability (Index/High Value).

GM..... GridMaster is a selection index that predicts the average economic difference of non-replacement calves through the post-weaning phase of production. GM places selection pressure on growth, feedyard performance and carcass traits. Expressed as dollars per head born, GM is calculated based on the scenario that progeny are fed out to slaughter and marketed on a quality-based carcass grid. Traits included in GM include Average Daily Gain, Carcass Weight, Dry Matter Intake, Marbling, Back Fat and Rib Eye Area (Index/High Value).

CED Calving Ease Direct predicts differences in the percent of calves born unassisted out of 2-year-old dams. (Percent/High Value)

BW Birth Weight predicts differences in actual birth weight of progeny. (Pounds/Low Value)

WW Weaning Weight predicts differences in 205-day weaning weight. (Pounds/High Value)

YW Yearling Weight predicts differences in 365-day yearling weight. (Pounds/High Value)

ADG Average Daily Gain predicts differences in weight gain between 205 and 365 days of age. (Pounds/High Value)

DMI Dry Matter Intake predicts differences in daily feed intake as measured in a feedlot during the post-weaning period. (Pounds/Low Value)

MILK Milk predicts differences in weaning weight attributed to the milking ability of the animal's daughters. (Pounds/High Value)

ME Maintenance Energy predicts the difference in maintenance energy requirements. (Mcal per Month/Low Value)

HPG Heifer Pregnancy predicts differences in the percent of daughters who are able to conceive and calve at 2 years of age following exposure to breeding. (Percent/High Value)

CEM Calving Ease Maternal predicts differences in the percent of daughters who are able to calve unassisted as 2-year-old heifers. (Percent/High Value)

STAY Stayability predicts differences in the ability of an animals' retained daughters to remain productive in the herd – calve every year – through 6 years of age. (Percent/High Value)

MARB Marbling predicts differences in marbling score – amount of intramuscular fat measured at the 13th rib. (Marbling Score Units/High Value)

YG Yield Grade predicts differences in USDA Yield Grade, which is calculated using CW, REA and Fat. (Yield Grade Units/Low Value)

CW Carcass Weight predicts differences in actual hot carcass weight. (Pounds/High Value)

REA Ribeye Area predicts differences in square inches of ribeye area measured at the 13th rib. (Square Inches/High Value)

FAT Fat predicts differences in the depth of backfat measured between the 12th and 13th ribs. (Inches/Low Value)
